DISCIPLINE CONTRACT (Please read with your child)

1. You are expected to treat yourself, the other children, and the adults at Summer Camp with Respect. You are to be polite and courteous in your actions and conversation with others... (do not use bad language).
2. You are expected to keep yourself safe and to help your friends keep themselves safe by following Summer Camp's rules...(if you or someone else might get hurt, don't do it).
3. You are expected to use personal and Camp's materials and equipment in a safe manner so it is not damaged or lost.
4. You are expected to listen and respond to directions given to you by adults the first time.
5. You are expected to use your best behavior during trips to the recreation center. Children who misbehave on a field trip will not be able to go on the next field trip.
6. What happens if you do misbehave? You will receive a warning. If you do not respond to the warning you will be given time out to think about your behavior. You may owe a consequence for your behavior. A phone call or written warning to parents, suspension, or dismissal from Summer Camp is among other consequences that may apply.
7. If you have a consequence to do, remember that while your behavior is being corrected, the adults still like you as a person.
8. Remember to treat everyone in the way you like to be treated.
9. If someone hits you, threatens you, teases you, or plays unfairly, tell them how you feel. If they won't listen, ask an adult to help you. DO NOT hit or yell. The adult will help you learn ways to take care of yourself in these situations.
10. Remember all of us have bad days. Sometimes something is happening in our lives that makes us sad or mad. If you learn to talk to an adult or a friend about the things that are bothering you, then you will feel better and get along at Summer Camp and home better.
11. If you have any questions about how you are expected to behave, please ask an adult.
